To

The Principal,

.....

Sub: National Service Scheme – Participation in Pulse Polio Immunization programme planned on 10th January and 7th February 2010 – Reg.

Sir,

You are aware that the NSS volunteers have been participating in Pulse Polio Immunization programme and another phase of pulse polio immunization programmes are scheduled to be held on 10th January 2010 and 7th February 2010. The Ministry of Youth affairs & Sports Govt. of India would like to make this programme a great success and hence directed to involve active participation of NSS Volunteers in this year also.

It is, therefore, requested that necessary directions in this regard may be given to Programme Officers & Volunteers of your school to be part of the booth and house to house visits during this phase of pulse polio immunization days in association with local bodies/health department/state government. Further, the Ministry desires to take out rallies in support of the programme and to motivate their villagers for immunizing their children during the drive on 10<sup>th</sup> January and 7th February 2010 and make the programme a great success.

A compiled date-wise report immediately after the programme is over with the details of number of NSS volunteers participated and number of children immunized etc. may please be sent to this office for onward transmission to NSS Regional Center and to the Ministry /PA Cell.

Please ensure proper documentation in the said programme.

Yours faithfully  
Sd/-

Programme Co-ordinator
