ORDER

In the Government Order read 1st above, orders were issued to reckon the past service put in by Government Employees in Panchayath / Municipal Common Service and Universities prior to their entry in State Government Service including aided school service and vice-versa as qualifying service for pensionary benefits subject to remittance of pensionary liability to the pension fund by the former employer in lump, at the time of such appointment of the employee to the State Service and vice -versa. Government have also issued certain clarifications and specified the rate of interest for belated payment vide the Government orders read as second and third above. A proviso and a note were also incorporated in Rule 20, Part III Kerala Service Rules in this regard.

Government have been processing many requests for payment of pro-rata pensionary liability to and from such Institutions and it has been decided to dispense with the payment of pro-rata pensionary liability since it is a reciprocal arrangement and the Institutions are aided by Government funds. In the circumstances, Government are pleased to dispense with the condition of payment of pro-rata pensionary liability by the former employer while reckoning the service put in by Government employees in the Panchayath / Municipal Common Service and Universities prior to their entry in State Government service including aided school service and vice-versa, as qualifying service for pensionary benefits. The cases whereby payments towards pro-rata pension liability have already been made need not be re-opened. It shall be applicable in all other cases, including in cases where the payments have become due but not paid.

Necessary amendments to the Note below rule 20, Part III, in Kerala Service Rules will follow.
